Administrative Controls Management, Inc. (ACM) is extending its training schedule to continue online 'Lunch & Learn' training offerings through Summer 2020. Courses including, but not limited to, 'Effective Critical Path Scheduling Using Microsoft Project', 'Resource Management', and 'Project Management Planning & Scheduling' will be available June through August 2020.

ACM has plans to consider in-person training sessions in Fall 2020 as well as online offerings, but continues to monitor conditions surrounding in-person interactions and physical distancing practices.

A full listing of Summer 2020 offerings can be found here:
